oops main Iran

Despite Appeal
To UNSC for Aid
In Getting Soviets . .
Out of the Country

By John M. Hightower

WASHINGTON, March 20.—(P)—Russia today was reported continuing her troop maneuvers in Iran despite that government's appeal to the United Nations Security Council for help in getting Soviet forces out of the country.

Late reports reaching officials here described the tense Middle Eastern situation as unchanged with main attention for future developments still directed toward the Kurdish areas of Iran, Turkey and Iraq.

Informants who may not be named said that Iran's appeal to the council, charging the presence of Red army troops in violation of a Soviet-Iranian-British treaty and interference by Soviet agents in Iranian affairs, had had absolutely no effect so far as could be told here on conditions inside Iran.

The formal charges appeared certain to gain council attention. American officials predicted that this country will support fully the troubled nation's appeal to the council for prompt action. And indications are that of the 11 council members, Iran will get an easy majority for putting its case on the agenda for early consideration in the sessions scheduled to open in New York next Monday.

Russia May Object
Officials do not discount the possibility that Russia may object. However, since only a majority is required and since Russia normally can count only on Polish support to back up any opposition, the required seven votes for consideration seem assured.

The Iranian complaint was made public here yesterday by UNO General Secretary Trygve Lie. Filed by Iranian Ambassador Hussein Akbari, who has been designated by his government to plead the case before the Security Council, it made these two specific charges:

The Charges
1. That Red army troops are remaining in Iranian territory beyond the March 2 deadline fixed under an Anglo-Soviet-Iranian treaty of January, 1942. This treaty specified that all foreign troops should be withdrawn from the country six months after the end of the war.

2. That Russia "is continuing to interfere in the internal affairs of Iran through the medium of Soviet agents, officials and armed forces."

Meanwhile, it appeared that in the face of these charges Russia is continuing to send reinforcements into Iran for objectives still described here as obscure.

Believe Plane Has Crashed

FORT SMITH, Ark., March 12.—(P)—The Camp Chaffee public relations office reported today that a privately-owned advanced army training plane piloted by a civilian was believed to have crashed near Fort Smith.

The PRO said the plane, en route from Oklahoma City to Greensboro, N. C., had been scheduled to stop at Fort Smith, but had not arrived. The office said that the plane's owner, Lincoln Aeronautical company of Lincoln, Neb., was seeking its whereabouts and that a rescue squadron from Memphis would begin a search this afternoon.

Goering Says He Signed Many Decrees

States Goebbels,
Himmler Radical
On Jewish Question

By Noland Norgaard

NUERNBERG, March 20.—(P)—Hermann Goering told the international military tribunal today he had signed numerous anti-Jewish decrees as president of the reichstag and "I assume fully responsibility for them."

In the witness box for the sixth day in his own defense, the former reichsmarschal declared that both Joseph Goebbels and Heinrich Himmler were more radical than himself on the Jewish question.

He said defendant Julius Streicher was violently anti-Jewish, but dismissed him as "not a member of the government and although he was a gauleiter he had no influence on the government."

Both Goering and Justice Robert H. Jackson, chief U.S. prosecutor, showed the strain of hours of cross-examination and there were frequent clashes between the two.

Jackson Annoyed
Lord Justice Geoffrey Lawrence presiding member of the tribunal, overruled Jackson's effort to compel Goering to stop making what the prosecutor termed "propaganda" remarks from the witness stand. Jackson contended Goering was being permitted to "take control of proceedings."

Jackson's annoyance expressed itself again when Goering testified that he had ordered security police to withhold action against the participants in a pogrom in November, 1939, because "I myself wanted to take the necessary action."

"You know that's not the truth," Jackson declared. "I put it to you squarely."

Goering replied again that he took his protests against these anti-Jewish excesses directly to Hitler and therefore did not want underlings to take action.

The hearing progressed slowly as Goering repeatedly challenged the accuracy of translations of various prosecution documents.

Missourian Heads Boards of Pharmacy

LITTLE ROCK, Ark., March 20.—(P)—Doyle Norris of St. Joseph, Mo., was elected chairman of the Sixth district of the National Association of Boards of Pharmacy here today at the closing session of the group's twentieth annual convention.

The district convention also selected St. Louis as the site for its 1947 meeting.

Made Money in Prison

JEFFERSON CITY, March 20.—(P)—William Leslie Patterson, convicted in federal court of counterfeiting nickels and dimes while serving a sentence in the Missouri penitentiary, yesterday was sentenced to serve a year and a day in jail. Patterson was released from the prison February 21 after serving a sentence for burglary from Jasper county.

Army Should be Democratic

SYRACUSE, U. Y., March 20.—(P)—Gen. Jonathan M. Wainwright today described soldier complaints against the army's so-called "caste system" as "close to mutinous conduct" in some instances.

"In my opinion," the General said in an interview, "the army should be reasonably democratic. At the same time there has to be a gap between officers and enlisted men if there is to be discipline."

"At Corregidor that same gap existed. Without that gap Corregidor wouldn't have lasted five days."

"In some instances," he added, "the stand of complaining GI's has been close to mutinous conduct. These critics are not typical American soldiers."

The hero of Corregidor arrived with Mrs. Wainwright from Scott Sam Houston, Texas, to spend a ten-day leave at his wife's home in nearby Skaneateles.

Wainwright also said he would retire in August, 1947, under army regulations calling for retirement at the age of 64.

President of Housing Corp. Lions Speaker

Meeting Held
At Interlude;
Many Guests

Neal O. Reyburn, president of the Sedalia Housing Corp., was the principal speaker at the noon-day meeting of the Sedalia Lions club today. The session was held at the Interlude instead of the Hotel Bothwell the regular meeting place, because of the Missouri department of the D. A. R. convention meeting at the Bothwell.

Mr. Reynolds spoke on "Pre-fabricated Houses" which his company will manufacture in Sedalia within a short time. He explained the methods of manufacture, costs of the units and also their construction in sections.

He said their company is happy to locate in Sedalia for several reasons. First because it is in the center of their trade territory. Then because of a fair labor agreement reached between the trades unions here, a farming community and because they are confident of being able to obtain necessary employment.

Sold Through Dealers
Mr. Reyburn explained that the houses will be sold through dealerships and not to consumers direct from the factory.

I. H. Reed, president of the Chamber of Commerce, also spoke briefly on the factory building which will be created shortly through the efforts of the Chamber of Commerce and also of what the factory will mean to Sedalia employment.

Guests at the meeting were: Kirk Meyer of Milwaukee, Wis., guest of Charles Maggard; R. B. Ayers of Jefferson City guest of Chief of Police Anson Fennell; Jay Helm of R. E. Gerster; Leslie Hale of Paul F. Hausman; J. R. Wilner, Kansas City of Al Gardner; I. H. Read, Ben P. Robinson and Richard Snow of Abe Silverman.

O. A. Potter, program chairman, introduced the speaker.

Adolph Glenn presided.

Surprise Request From Chiang Kai-Shek

SEOUL, March 20.—(P)—Lt. Gen. Albert C. Wedemeyer will fly to Chungking tomorrow, according to a surprise request from Generalissimo Chiang Kai-Shek for a conference.

Wedemeyer, American occupation commander in China, did not disclose the reason for Chiang's summons.

He conferred with army officers here today about repatriation of Koreans in China.

New and Faster Bomber

LOS ANGELES, March 20.—(P)—Douglas Aircraft engineers have announced a new and faster version of the XB-42 bomber which flew across the nation last December in five hours, 17 minutes.

The new model, the twin jet XB-43, was taken yesterday under military escort to Muroc Dry Lake for a series of exhaustive tests.

33 Die In Plane Crashes

Two Army Planes
Wrecked in
Northern California

LOUISIANA, Mo., March 20.—(P)—One of the men killed in the crash of a C-47 transport near Truckee, Cal., yesterday was Lt. Cmdr. Lloyd Stickney Stark, son of former Gov. Lloyd C. Stark of Missouri, according to word received by the former governor at his home here today.

At the time of his death Lt. Cmdr. Stark was security officer at the U. S. navy yards and dry docks at Hunters Point, San Francisco. He was formerly assistant security officer at Mare Island, California.

He was second in command in naval intelligence at Pearl Harbor when the Japanese struck on Dec. 7, 1941. Before entering the navy he was assistant secretary of the Stark Bros. nursery and orchards company, of which his father is one of the owners.

Lt. Cmdr. Stark was 37 years old. He is survived by his wife Mrs. Dorcas Berry Stark, who resides at Menlo Park, Cal., a son Lloyd Stickney Jr. and a daughter Margaret. A brother, Lt. John W. Stark of the army air forces and two sisters also survive.

The body will be brought to Louisiana for burial.

SAN FRANCISCO, March 20.—(P)—Rain, snow and sleet hampered ground crews struggling valiantly today to recover the bodies of 33 army and navy personnel killed in twin air disasters southeast of San Francisco and in the High Sierras near the California-Nevada state line.

The high Sierra crash scene, where 26 army and navy men bound from Stockton, Calif., to Ogden, Utah, plummeted to death in a two-engine C-47, was covered with a foot of new snow today which added to the deep mountain drifts partly burying the gruesome wreckage.

Ten bodies were brought into Reno today after all-night toil by ground crews, which had to break trail for a mile from the ghost town of Hobart Mills.

Some Still Pinned Down
A heavy army wrecker, which started for the scene to assist in moving the tangled twisted fuselage still pinning some of the victims within it, was halted at a bridge too small to permit passage. Workers sent for tractors to drag the remains of the plane into more workable position.

A ground squad pushed toward the wreckage of a B-29 which crashed with seven crewmen into the top of a 3,820-foot peak near Livermore, 30 miles southeast of San Francisco. The bomber came from Hickam Field, Honolulu. Its radio reported engine trouble several hours before the plane plummeted to earth 10 feet from the top of the peak.

Saw Plane Explode
Witnesses said they saw the C-47 explode in air, and Captain Harold Simer, commanding the Reno, Nev., army air base, said the wreckage indicated a wing, which had not been found, was blown off before the crash.

Snow piled as high as 12 feet in drifts. Army workers and volunteers who reached the C-47 wreckage by snowmobile toiled through the night by campfire and flashlight in continuing snow to recover the frozen bodies, some of which were severely mangled.

The B-29 had been missing since early morning yesterday. A private plane pilot reported discovery of the wreckage late yesterday after an extensive search had been ordered. The bomber pilot had reported his engines were "cutting up" as he approached the mainland and last radio contact with the ground was made at 2:05 a. m. (PST).

Salem Woman Is Missing

SALEM, Mo., March 20.—(P)—Officers were searching today for Mrs. Violet Skipper, 25, wife of a sawmill foreman, who disappeared yesterday.

The woman was reported missing after her husband, Bert Skipper, 28, returned to their room in a lodging house and found it in disorder. Sheriff Floyd W. Nash of Dent county said the description of one of two men seen entering the house before Mrs. Skipper's disappearance tallied with that of a Fort Worth, Texas, man whom Skipper described as a former suitor of Mrs. Skipper's.

Four Daughters Of Detroit Grocer To Marry at Once

DETROIT, March 20.—(P)—A proud man is grocer George Saieg.

On Sunday April 19 he plans to give four daughters in marriage, virtually all at once. The brides-to-be are Mary, 21; Dorothy, 19; Helen, 22, and Rose, 18. There will be two double ceremonies at St. George Syrian Orthodox church.

Said Saieg: "I never heard of four sisters getting married like that, did you?" Last year he saw his son, Elias, and another daughter, Mabel, wed in a double ceremony.

Normal Output Of GM Autos Snagged Again

New Row Flares
Up Today Over
Local Grievances

DETROIT, March 20.—(P)—General Motors Corp. announced today that it is recalling a limited number of employees "as rapidly as possible" to ready its idle plants for production.

"Where it is agreeable to union shop committees, construction workers, maintenance men and others necessary to ready the plants for production will be recalled as rapidly as possible," a spokesman said.

The recall orders will affect all plants, he added, if the CIO United Auto Workers will permit entry of maintenance men to units still strikebound.

Maintenance employees have already begun work in plants in Saginaw, Pontiac and Flint, Mich., where agreements have been reached with local management.

Resumption Snagged
However, immediate resumption of normal production on the huge auto assembly lines were snagged by a new company-union row over local grievances.

GM, its production facilities idled for the 120th day, stood pat on an assertion it would not reopen any one of its 96 struck plants until the CIO United Auto Workers agreed to open them all. The UAW, which late Tuesday notified the company that its members had approved the national phases of the strike settlement, was quick to condemn GM's stand.

"The officers of the UAW-CIO . . . had a clear understanding with the corporation that the strike settlement covered only national issues and that upon ratification of the national strike agreement, certain locals might remain on strike because their plant managements had failed to settle local issues satisfactorily," declared the union.

Strike Still on
GM told the UAW, "until we receive notification . . . that the strike is ended in all our plants, we will have to assume that the strike continues and that resumption of production will be delayed until that time."

Harry W. Anderson, GM vice president, declared "You are aware that our manufacturing is so geared that we cannot start production in a part of our plants with others still on strike."

"In keeping with the agreement which we entered with your union officers, your telegram should officially end the strike in all GM plants," he said.

Some Plants Operating
Walter P. Reuther, UAW vice president and head of its GM division, conceded that "it may be true that certain units cannot resume production until other related units have resumed," but added, "it is a fact that many of the corporation's plants can begin operating independently of any other unit."

"There is no justification for failure to resume production without further delay in such units," Reuther asserted.

General Motors generally unanticipated stand on the matter of local issues came after the union's GM council and high ranking union officers had empowered various GM-UAW locals to remain on strike until such local issues were settled.

Three Persons Burn to Death

FAIRFAX, Mo., March 20.—(P)—Three persons burned to death and two others were burned critically last night in a fire which destroyed the Walker Phillips farm home a mile north of here.

The victims were Mrs. Walker Phillips, 25; a daughter, Ruby Jane, two and a half years old, and Larry Ray, 13-day-old son.

Phillips, 33, and a son, Virgil, 10, escaped from the burning building. They were taken to a Maryville hospital.

Cause of the fire was not known, but Fairfax firemen said they found the top of the kitchen stove had been blown off.

Election Of DAR Officers

Concludes 47th
Annual Convention
Held in Sedalia
Past Three Days

Mrs. Claude K. Rowland of St. Louis succeeds Mrs. Henry Wallace Townsend of Kansas City as regent of the Missouri State Society of Daughters of the American Revolution, it was determined this morning during election of officers for the ensuing DAR year. The morning session, the final scheduled event of the 1946 DAR convention, preliminary meetings of which began Monday morning, was called to order at 9 a. m. in the Ambassador room of Bothwell hotel.

Other state officers elected are the following: Mrs. Frederic A. Groves of Cape Girardeau, vice regent; Mrs. Solomon Stoddard of Sarcoux, chaplain; Mrs. W. J. Boyd of St. Joseph, recording secretary; Mrs. W. K. Protzmann of St. Louis, corresponding secretary; Mrs. A. John Thornberry of Kansas City, treasurer; Miss Nina Harris of Sedalia, registrar; Mrs. J. R. Eckenberger of Mexico, historian; Mrs. Walter H. Steinger of Jefferson City, librarian; Miss Acena M. Booth of Columbia, treasurer of student loan fund.

DAR Awards
Also of prime importance on the morning agenda was the awarding of DAR prizes.

Substituting for Mrs. Arthur Hitch, Mrs. Gillespie made the following presentations: Missouri DAR state officers club prize of \$10, Marshall chapter; second prize, \$5, Alexander Doniphan chapter; Mrs. Hale Houke, \$10 for genealogy work; prizes of \$2.50 each to Marshall and New London chapters and Nancy Hunter, Jane Randolph and Jefferson chapters; Mrs. Hale Houke, \$5 for greatest number of records; Mrs. John Leslie Jones, \$10 to be divided in two prizes, \$5 each for best history scrap book to Independence and Marshall chapters.

Mrs. Frank H. Scott \$2.50 and Mrs. C. D. Toffemeier, \$5 prize to Cornelia Beekman, Hannibal and Susana Randolph chapters; prizes of \$2.50 each to the Elizabeth Benton and Nodaway chapters given by Mrs. Frank H. Scott.

Mrs. C. B. Toffemeier, \$2 to St. Joseph chapter for greatest quantity of beads for weight; Miss Bertha Beal, \$5 to Arrow Rock chapter for greatest increase in membership for the year; Mrs. Henry Wallace Townsend, \$5 to Arrow Rock chapter for most new members; Mrs. Townsend, \$5 to Arrow Rock chapter for greatest membership increase of chapter with membership of less than 50; Independence Pioneer, \$5 to Warrensburg chapter for displaying best year book; Elizabeth Benton chapter, \$5 given by that chapter for giving most to approved DAR schools; Mrs. Edgar Nelson, \$5 to Jaulfline chapter for reporting most efficient work done by flag chairman.

Award to Kennett
Mrs. Herbert Haukenberry, state chairman of Red Cross, \$5 to Connelly chapter of Kennett for having greatest number of members.

Critical Meat Shortage Is Threatened

Black Market
Is Growing
Packer Reports

By The Associated Press
Drastic slaughter reductions and the threat of a critical meat shortage in this country were reported today by meat packers and retailers, who blamed the situation on OPA ceilings and the growing black market.

"We are facing a meat shortage such as we've never seen before," Joseph W. Stevens, field secretary of the individual retail grocers and meat dealers association, said in St. Louis yesterday.

Packing companies claim they are unable to slaughter cattle at a profit under the OPA ceilings and that they cannot compete in buying cattle with black market buyers. One company official said in Chicago that black market buyers were able to make an average profit of \$50 a head.

Slaughtering Rate Drops
The slaughter rate in the major Kansas City packing plants has dropped from 180 to 18 an hour, with 1,000 employees laid off.

Slaughter rates down as much as 75 per cent were reported in St. Louis, Omaha, Sioux City, Des Moines, Tulsa, Louisville, Los Angeles, Indianapolis, San Antonio, Wichita, Topeka and Oklahoma City. Some smaller plants in the Midwest have closed down completely.

Thomas E. Wilson, chairman of Wilson & Co., told the company's stockholders in Chicago yesterday that the growing black market was "getting away from the OPA."

James F. Riley, Chicago office director, has announced an immediate investigation of eastern order buying which he said had taken from 60 to 65 per cent of midwestern beef and would cause shortages in the west, midwest and south.

Arguments in Ouster Suit

JEFFERSON CITY, March 20.—(P)—The Missouri supreme court began hearing arguments today in an ouster suit against 122 stock fire insurance companies charged with bribery of former Superintendent of Insurance R. E. O'Malley and the late T. J. Pendergast, violation of the Missouri anti-trust laws and insurance rating statutes.

Assistant Attorney General Robert L. Hyder, summing up antitrust aspects of the case, charged the companies had formed pools, manipulated rates, refused to comply with orders of the superintendent of insurance for reductions and that "several men through interlocking memberships in insurance associations controlled rates in eighteen middle-western states," including Missouri.

He asked a \$100,000 fine and suspension of the companies until they base their rates on "their own company experience" and not on agreements.

State Section of Chemurgic Council

ST. LOUIS, March 20.—(P)—With the view of promoting a state-wide program for the utilization of farm products in industry, a Missouri section of the National Farm Chemurgic Council was organized here yesterday. Paul K. Justus of St. Louis was named chairman.

Plans for a more definite program will be made by 75 leaders of science, industry and agriculture at a meeting to be held soon, it was announced.

After Judge Sbarbaro ordered a writ of attachment issued, Mrs. Dobry, who had remained silent up to that point, addressed the court:

"Let me take the writ," Your Honor. "I'm a policeman's wife. I know how to track people down. I'll find my former husband, no matter where he is, and when I do you can be sure I'll bring him into court."

"Why, I think that's a fine idea," Judge Sbarbaro said, "and I'm sure the sheriff will be much obliged for your assistance. Sheriffs are very busy these days."

Request Russia To Help

No Reply to
Request Soviets
Join Others in
Feeding Europe

ATLANTIC CITY, N. J., March 20.—(P)—Assistant Secretary of State Will Clayton expressed hope today that Russia would grant an UNRRA request for help with wheat shipments "and thus align itself with the United States and other supplying countries."

In an address before delegates from 47 nations, he disclosed that UNRRA "sometime ago" had asked the Soviet whether Russia could supply any wheat to meet the heavy demands of hungry countries.

"Although I understand that no definite reply has been received to this inquiry," Clayton added, "it was recently announced that the Soviet Union had agreed to sell France, reportedly for U. S. dollars, 400,000 tons of wheat and 100,000 tons of barley, provided the necessary shipping could be obtained."

"This report gives ground for hope," he added, "that the Soviet Union may be in a position to give a favorable reply to the UNRRA request and thus align itself with the United States and other supplying countries."

Call for Rationing

ATLANTIC CITY, N. J., March 20.—(P)—A stern admonition for world-wide belt tightening, with universal rationing and stringent safeguards against wastage of food, confronted delegates to UNRRA's 47-member council today as they searched for ways of warding off mass starvation.

The delegates pondered Director General Herbert Lehman's call for return to the rigid war-time food controls to win the peace-time fight against hunger.

Setting the stage for a full dress debate on food which will open today, the retiring chief of history's greatest mission of mercy, cautioned yesterday that voluntary food conservation measures alone "no matter how energetically they are pursued, are not enough."

He called for emphasis on "all-out" food production, for less grain for livestock and more for humans, less for liquor and more for the world's hungry millions, for a campaign to "eliminate the garbage pail as their competitor."

\$500,000 Libel Suit Against Collier's

TALLAHASSEE, Fla., March 20.—(P)—Governor Millard F. Caldwell filed a libel suit in U. S. District court here today asking for \$500,000 damages from publishers of Collier's Magazine for editorial comments it made on the killing of a negro awaiting trial at Madison last fall.

The bill of complaint alleges that publication of the editorial "was maliciously and wickedly done with the intent of causing ridicule and contempt to be cast upon" the governor.

Caldwell has said he will turn over any proceeds of the litigation to the Florida A. and M. College for Negroes, a state institution.

Neighbors Enjoy Going to Bert's House

In one of this winter's storms, Bert Childers really got snowed in. But it wasn't long until his neighbors came along and dug him out.

Bert was mighty grateful. As his friends cleared the way to his door and filed in, Bert greeted them with a hearty handshake. Then he asked them if they would like a bite to eat and something to drink.

Some wanted coffee, some asked for tea. A few said that they'd just as soon have a glass

of beer. Bert served everything they called for.

From where I sit, Bert Childers is my kind of folks. I like his respect for other people's tastes. While his own preference is beer, he loads his pantry and ice box with a wide variety of things. Bert puts a lot of stock in being tolerant as well as moderate.

Bills For Tax On Intangibles

JEFFERSON CITY, March 20.—(P)—The Missouri House of Representatives passed and sent to the senate Tuesday six bills to tax intangible personal property in the state.

The key bill—to levy a four percent tax on annual yield of intangible personal property—ran against a solid front of Democratic opponents backed by a sprinkling of Republicans, but it managed to scrape through with one more than the required 76 votes.

Sponsors of the bill failed to get additional votes to make the 100 necessary for passage of the emergency clause which would put the bill into immediate effect on final enactment.

In a plea for the needed votes, Rep. Murray Thompson (R) of Webster county told the house that without the emergency clause the tax could not be collected this year.

Tax experts estimated that would mean a revenue loss of more than \$2,000,000 this year to the governmental subdivisions of the state. In St. Louis alone, Thompson said, about \$700,000 in intangible taxes were allocated to different levels of government and the school districts in 1945. Every county in the state would lose at least \$1,000 in revenue because of the short vote, he declared.

Replace Ad Valorem

The four percent tax would replace the present ad valorem tax on intangible personal property. In the past, Thompson said, much of the state's intangible wealth has been hidden by owners trying to escape the tax. The tax on yield is being substituted according to provisions of the 1945 constitution in an effort to coax intangible property out of hiding.

Other bills in the series would: Tax the net income of banks and trust companies at seven percent.

Tax the premiums collected by insurance companies at two percent in lieu of all other taxes on intangible property of such companies.

Tax the dividends declared by building and loan associations at two percent.

The bills for banks and insurance companies met sporadic opposition but were passed with sufficient

Senators Call for Investigation On Reading Nazi Spy Expose

WASHINGTON—Senatorial reactions to a documentary expose of Nazi espionage activities centering in Stockholm during World War II brought demands for "adequate counter measures" and a "complete investigation of this whole subject" by congress.

After reading nine exclusive dispatches by NEA Service revealing startling Nazi intelligence operations against Allied military powers during the war, six senators, five of them members of the Military Affairs Committee, called for immediate steps to protect the

United States in peace as well as war from spying activities of foreign agents.

Sen. Edwin C. Johnson (D-Col) declared he would bring the NEA dispatches to the attention of senate military affairs committee of which he is ranking member. Sen. Styles Bridges (R-NH) stated he would ask both the Military Affairs and Foreign Affairs committees of the senate to make a "detailed study" of the NEA disclosures. He called the expose "profoundly shocking to me."

Statements from the six senators follow:

Sen. Edwin C. Johnson (D-Col) ranking member of the senate military affairs committee:

"The cure for the situation, revealed by NEA's expose of German spy activity during the war is for the United States to maintain adequate counter measures. Adequate counter measures will be necessary until such time as there is developed a world organization which will make unnecessary spying between countries."

"I don't believe, however, that the state department should be the agency to handle any foreign intelligence."

"I plan to bring the information brought to light by NEA to the attention of the military affairs committee. It is a matter for the committee to take vigorous action on. The committee should meet the situation thus revealed, headon."

Sen. Styles Bridges (R-NH) a member of both the military and foreign affairs committees:

efficient clearance to give effect to their emergency clauses. The measure covering dividends of building and loan associations was passed without opposition.

The revenue from the tax on insurance companies is divided equally between the state's general revenue fund and school districts' free textbook funds. Opposition to the measure wilted when Thompson pointed out that the opposing representatives were "just fixing it so their school districts wouldn't get the money at all."

Liquor Control
Supervisor
Praises Industry

ST. LOUIS, March 20.—The wholehearted cooperation of the Missouri Committee, United States Brewers Foundation with the State Department of Liquor Control in bringing about law-abiding conditions surrounding the sale of beer was praised by Edmund Burke, state liquor supervisor, at the sixth anniversary meeting of the Foundation here today.

The meeting, the first held since the lifting of hotel and travel restrictions existing during the war, attracted 348 industry representatives, the largest ever to attend any Foundation state meeting in the history of the organization.

"Any doubt I might have entertained at first as to the sincerity of the brewing industry in wanting their product sold under wholesome conditions has been completely dissipated by the actual and wholehearted assistance given my department by the Missouri Committee," Mr. Burke said.

Conditions surrounding the retail sale of beer in Missouri are better today than at any time since repeal, Walker Pierce, director of the Missouri Committee, reported to the industry group, basing his statement on a recent survey in Missouri by an independent organization. He called upon beer retailers to keep their places of business clean, well lighted and cheerful, so that they will look like the legitimate places of business that they really are.

Other speakers and guests in attendance included: Col. Hugh H. Waggoner, superintendent of the Missouri State Highway Patrol; H. R. Long, manager Missouri Press Association; Judge Joseph F. Keirnan, director of Liquor Control, Kansas City; Judge Arthur Bader, city excise commissioner, St.

Jefferson City, Mo., March 20.—(P)—A twice defeated house bill creating the office of county clerk was passed by the Missouri senate yesterday after heated debate.

The vote to approve was 22-8, five Democrats voting with the Republican majority to pass the measure.

Twice before in the past two weeks the bill had been defeated by a Democratic minority whose members objected to provisions providing that the county court appoint a clerk in the event of a vacancy, under present law such vacancies are filled by appointment of the governor.

**Nazi Dictator
Employed a
Subtle Poison**

**Destroyed Not
Only Morals
But Morale Also**

**By DeWitt MacKenzie
AP World Traveler**

PARIS, March 20.—One of the most terrible of the evils which Hitler inflicted on this continent was his deliberate destruction of moral and spiritual fibres, not only in his own country, but in conquered territories, to facilitate the enslavement of Europe.

Many folk who abhorred Nazism nevertheless unwittingly became contaminated to the extent that their moral stamina was weakened. You see this mark of the swastika in numerous parts of the continent and it provided a great problem in rehabilitation, because all phases of recovery—economic, political, social—are affected.

Germany itself probably has been hurt more deeply than any other country in this respect. He so far succeeded in destroying religion and substituting his pagan savagery in the minds of German youth that some Allied authorities count many of those between the ages of about 14 and 35 as lost to civilization.

Subtle Poison
While Hitler brutalized his own people, he did at the same time try to create a high militaristic morale among them. In the conquered countries his object was to destroy not only morals but morale and so deprive the subjugated people of their will to resist his domination.

France was one of the countries in which the Nazi dictator employed the most subtle poison at his disposal, and he had some five years in which to work. He long had planned to destroy France morally. He wanted to create out of this great country one of the main buttresses of the conquered territories which he proposed to hold in servitude.

Many French Resisted
There were, of course, great numbers of French people who resisted the Hitlerite campaign to the utmost. Still, my French friends—of whom I have had many of these 30 years—tell me that the fuerher did so much damage which is being reflected these hard days in the frightful black markets and in a loss of public spirit in some sections of the population.

The German assault on morals and morale were cleverly plotted. It began with cultivation of the idea that, after all, the reich wanted to keep France prosperous. By way of proving this the invaders were amazingly free with cash. Money was no object—and why should it be? They took it from the French state treasury with one hand and squandered it with the other in trying to buy the good will of the people. Apropos of this, German documents recently discovered here purport to show that some 23,000 Frenchmen applied for German nationality.

Liberal to Farmers
The Nazis were especially liberal with money among the great farming population, paying high prices without question for foodstuffs. In this way a black market in food soon was created and grew apace with German support. Similar tactics were employed in the cities, and black markets were encouraged for all sorts of commodities.

Hardened French folk, who knew the Boche of old and saw through the scheme, fought it fiercely, but it was an insidious thing which many farmers and tradesmen failed to recognize. People who were well meaning enough but thoughtless drifted along with the Hitlerite tide. Things finally reached such a pitch towards the close of the war that many school children were doing black market transactions and handling thousands of francs. An

SEDALIA MAN FELT LIKE SWOLLEN BALLOON; FULL OF STOMACH GAS

Recently, a Sedalia man stated that he used to feel like a swollen balloon after every meal. He would bloat full of gas and spit up acidulous liquids for hours after eating. Was terribly constipated. This man is one of the hundreds in this vicinity who now praise ERB-HELP. He states he was amazed at the results when he took this medicine. Now he feels like a new man.

ERB-HELP contains 12 Great Herbs; they cleanse bowels, clear gas from stomach, act on sluggish liver and kidneys. Miserable people soon feel different all over. So don't go on suffering! Get ERB-HELP! Sold by all drug stores here in Sedalia.

DAR Is Given An Address On What We Won

William F. Brown Speaker At A Banquet Session Tuesday Evening

Reminding the assembled delegates of the forty-seventh annual conference of the Missouri State society of the Daughters of the American Revolution of their heritage as descendants of those who lighted the beacon of freedom, William F. Brown, Sedalia attorney and World War II veteran, who served in India, asserted that in this country a new religion—that of democracy—was given the world, in a banquet address Tuesday night at the First Christian church.

Answering the question-subject, "What Have We Won?" Brown declared that the United States has "won through to democracy, has maintained liberty for its people" and, carrying this torch on high, can offer the inherent principles and ideals to other peoples as examples which they may follow if they so choose.

Warns Of 'Being Pawn'

He warned against becoming a pawn of other nations and set forth the opinions that this country should express its policies in clear and concise terms without the force of arms, and that "we should divorce ourselves from British foreign policy."

Mentioning his own observations, Brown criticized the forms of British colonial rule. He also averred that discord in the United States must be replaced by unity, attributing some of the strife in our own country to a change in "our state of mind" as a component of the transition from war to peace. "Individually and collectively we must settle our nerves."

In an apparent reference to the strike situation the speaker declared that neither labor nor capital is wholly to blame, but both are partially at fault.

Hopes For Peace At Home

As a returned serviceman, he gave as his immediate wish that there can be peace at home and that the people may be happy; that this country can continue making and breaking production records; that the standard of living may be raised even higher.

Stands Pre-Eminent

"This nation stands pre-eminent in the world today," Brown expostulated. "In the coming days we must put our own house in order and show what democracy means to us so that the beacon of freedom maintained through the years will continue to give light to other lands."

Mrs. Elza Berry, general chairman of arrangements, presided over the banquet, which was attended by 250 local and state D. A. R. members, pages and program guests. Mrs. Berry was presented by Mrs. Henry Wallace Townsend, of Kansas City, state regent, who later conducted the nominations, by representatives of various chapters, of candidates for state officers for the coming term.

The invocation was given by Mrs. Norman Freudenberger, of Springfield, who substituted for Miss Clara Frazer, of Hannibal, state chaplain, who was not able to be present. Mrs. Freudenberger is chaplain of the State Officers club.

Present Honored Guests

Honored guests introduced were Mrs. Townsend, Mrs. Henry Clay Chiles, Lexington, president of the State Officers club, a past state regent and a past national vice-president general of the national society; Mrs. W. E. Tarleton, St. Louis, past state regent; Mrs. Frank Sayre Leach, of Sedalia, honorary state historian; Mrs. Milton Francis Duvall, Clarksville, vice state regent; Mrs. John Leslie Jones, Blackburn, recording secretary; Mrs. Harry Bates Smith, Richmond, corresponding secretary; Mrs. Frank Harrelson Scott, Columbia, registrar; Mrs. Arthur Francis McNeely, St. Joseph, historian; Mrs. Ashley Poyner, St. Louis, treasurer of the Student Loan fund; Miss Essie Matlack, St. Louis, parliamentarian; Miss Florence Carvin, Independence, custodian.

Officers not in attendance due to illness, were Mrs. Harold Ross Weir, Fayette, treasurer, and Mrs. John Marvin Dameron, Huntsville, librarian, and Miss Frazer, the chaplain.

Immediately after the dinner group singing was led by Mrs. Edwin F. Yancey, of Sedalia, life president of the Helen G. Steele Music club, and chairman of the music committee for the D. A. R. conference.

Miss Marian Smith, accompanied by her mother, Mrs. Charles Patterson, both members of Osage chapter, the hostess group, played two violin solos, "The Lord's Prayer" (Malotte) and "Meditation" from "Thais" (Massenet).

Harold Langrill, baritone, recently returned from service in the Pacific, was presented in two solos, "I Love Life" (Zucca) and "Thine Alone" (Herbert) and as an encore sang "Ah! Sweet Mystery of Life." He was accompanied by his wife, the former Mary Edna Hert of Sedalia.

Closing the banquet, held in the service hall of the church, the assembly sang "God Bless America."

Kurowski May Be Sold by The Cardinals

Breadon Irritated
Whenever Player's
Name is Mentioned

By Gayle Talbot

ST. PETERSBURG, Fla., March
20—(AP)—The holdout of George
Kurowski, crack Cardinal third
baseman, is beginning to look like
the real article, and it would not
be surprising if he were sold or
traded shortly to another National
league club.

The pattern is correct. Presi-
dent Sam Breadon of the Cards is
beginning to appear irritated
when Kurowski's name comes up.
In the past that has proved a
pretty accurate sign that some St.
Louis player was about to change
uniforms.

Kurowski, who led the Cards
in hitting last year with a .323
average and is one of the best
third basemen playing today, is
serious in his intention of not
playing for the team again at the
sort of pay he has been receiving.
He said as much right after the
'45 season ended.

It is generally thought his con-
tract last year called for ap-
proximately \$10,000. It is known he
was offered an increase, but it
must not have been nearly
enough. Kurowski, after looking
at the record, doubtless feels he
is worth somewhere close to the
\$16,000 being drawn by Shortstop
Marty Marion.

He knows, too, that he could
draw that kind of money, or even
more, from several other National
league outfits.

Esteppe Loses To Etchison Tuesday Night

Near Riot Develops
Over Meeker-Blassie
Match On Decision

Because the scheduled referee
couldn't come to Sedalia, Tuesday
night, Bill Dusen, wrestler volun-
teered to handle the two main
events of the evening. It was a
mistake as Dusen went by the
book of rules, the fans didn't
understand, and the crowd was
ready to murder him when he gave
a third fall decision to Jerry
Meeker, Columbus, Ohio, over
Sailor Blassie.

The match was main event ma-
terial, but was billed the semi-
windup. The battle between the
two wrestlers was one which kept
the fans on edge throughout.
Meeker, who it appeared was the
favorite of the referee, won the
first fall using a hammerlock after
he had repeatedly used the ropes
to an advantage. It took five
minutes and three seconds for the
fall. Then in the second fall period
Blassie using a series of flying
tackles and body smotherers won
in five minutes.

In the third fall Blassie knocked
Meeker out of the ring, and as he
climbed back he rushed him and
knocked him to the concrete.
Blassie who had suffered numer-
ous blows from Meeker previous
to this fall on the canvas and was
counted out. Meeker got back into
the ring before a count of twenty
was completed and was given the
fall. A wrestler not off the ring
but on the mat receives but ten
counts, his opponent if away from
the ring twenty. It was timed at
three minutes.

At this point the fans went wild
and Dusen wasn't any too sure he
wanted to go back although his
ruling was correct in accordance
with the rule book.

Ronnie E. Etchison, St. Joseph,
Mo., won the match with Marshall
Esteppe, Sturgeon, Mo. Esteppe won
the first fall, using a series of
drop kicks and body smother, in
ten minutes. Etchison when Esteppe
missed a drop kick, grabbed Esteppe
by the legs and using the giant
swing won the fall in ten min-
utes. Etchison got another giant
swing in the third fall period to
win in nine minutes.

The opening event was won by
Al Galento, Orange, N. J. from
Bill Dusen of Ottawa, Kansas.
Galento after being roughly treat-
ed by the boy from Kansas came
through with body blocks, body
smash and a smother to win in 22
minutes. This match was officiated
over by Gus Karras.

The schedule of matches next
Tuesday will be announced the
latter part of this week.

Sports Roundup

By Hugh Fullerton, Jr.
NEW YORK, March 20—(AP)—
It sounds slightly confusing, as so
many things in this sports busi-
ness are, but Al Sutphin, Cleve-
land's round man with the red
necktie, claims that in many re-
spects even boomtime sports do
not pay their own way. . . . Look-
ing at it from the arena owner's
viewpoint, Al shows where a
building with more than 10,000
capacity has a lot of seats that
never pay for themselves and at
the same time he explains that
the American hockey league re-
mains a minor circuit because
most of its arenas don't have the
seating capacities to pay the big
league salaries. . . . The explana-
tion apparently is that the guy

who puts up one of those big
structures loses his dough and the
arena price can operate it profit-
ably. . . . Another surprise is that
boxing is one of the least profit-
able sports (for arena owners)
outside of New York—Al claims
that in Cleveland, America's sec-
ond-best boxing city, his rentals
are just peanuts and that the
real reason the Chicago stadium
barred fights was that they were
not bringing in enough dough.

Easter's comin'... Have a Coke

...friendly refreshment is part of the doings

Getting ready for the big parade is plenty exciting, especially when
friends gather 'round. That's a time for sparkling Coca-Cola. Have a
Coke just naturally means it's fun to get together. Whenever people
meet, you're liable to find Coca-Cola and the friendly pause—the pause
that refreshes, the happy moment of hospitality.

COKE = Coca-Cola
"Coca-Cola" and its abbreviation
"Coke" are the registered trade-
marks which distinguish the pro-
duct of The Coca-Cola Company.

SOCIAL EVENTS—CLUBS

An impressive and colorful Chinese candlelight tea given by the Osage chapter of the Daughters of the American Revolution at the home of Mrs. Frank Sayre Leach, 522 West Seventh street, from 4 until 6:30 o'clock Tuesday afternoon, in honor of the convention guests was a social event of the forty-seventh annual conference of the Missouri D. A. R. society being held in Sedalia.

Mrs. Leach is honorary historian for life of the state society, is vice president of the State Officers club and is a past regent of the local chapter.

The entire home was open to the guests, who numbered 200. Southern smilax was draped throughout the rooms of the spacious residence, along the front and back staircases and was arranged around the fireplace in the living room which was banked with flowers. Two candelabra each holding 14 white tapers completed the fireplace setting for the state officers as they were greeted by other guests. Bouquets of spring flowers in variegated hues were used in the different rooms both upstairs and down.

The Chinese motif predominated in the dining room where the table was graced with an imported cut-work and lace, embroidered cloth. The centerpiece was a low silver basket filled with flowers over which was a small replica of a Chinese parasol which gave a canopy effect. Around the basket were miniature rickshaws in which were tiny figures of Chinese girls each carrying a minute parasol in different colors. Four Chinese figurines, two of dancing girls and the others of maidens playing Oriental instruments, adorned the table.

At one end were twin silver tea urns and placed by the table for the ladies who poured were two antique chairs. Extending almost the full length of the buffet was an enhancing floral arrangement. The dining room was illuminated by blue candles in silver candlesticks. Portieres at the archway between the dining room and library were fashioned of gold cloth tapestry.

Authentic Chinese costumes, including a heavily embroidered satin wedding gown and an elaborate white Mandarin coat were worn by the girls who served and met the guests at the door. Presiding in the dining room and dressed in costume were Mrs. Z. Lyle Brown and Mrs. Carl Urban.

Prominent state D. A. R. members who poured were Mrs. Henry Wallace Townsend, Missouri regent, Mrs. James Landgrigan, Mrs. Donald Osborn, all of Kansas City; Mrs. Claude Rowland, of St. Louis, nominated at the banquet meeting Tuesday night as the incoming regent; Mrs. Henry Clay Chiles of Lexington, and Mrs. Wallace Eugene Tarlton of St. Louis. They too were attired in Chinese robes.

Mrs. W. L. Layne, of Ottumville, regent of Osage chapter, Miss Nina Harris, Mrs. J. E. Mitchell, Mrs. E. F. Yancey, Mrs. H. E. Lindstrom and Miss Lelia Shortridge, with other members of the hostess club, assisted Mrs. Leach in entertaining. Mrs. A. M. Hoffman served as upstairs hostess.

Assisting with the serving were Misses Jean Hulse, Maxine Leslie, Betty Lu Urban, Ruth Ann Yunker, Almeda Albertson, Mary Frances Borne, Jean Handley, Marilyn Morris, Lillian Fox, Hazel Lang, Virginia and Aecna Booth of Columbia, and Miss Rebie Schaefer of Columbia, sister of Mrs. Leach and a member of Osage chapter.

Incense gave fragrance, mingled with the floral scents, providing an atmospheric touch, characterizing the theme of the candlelight tea. Refreshments in keeping with the Chinese motif were served on fan-shaped crystal plates.

Miss Helen Claire Kilbury, the daughter of Mr. and Mrs. C. R. Kilbury, 1306 West Sixteenth street, became the bride of Mr. Carl Ballinger, son of Mr. and Mrs. S. R. Ballinger of Independence, Mo., at a pretty service at the First Christian church at 2:00 o'clock Saturday afternoon, March 16. Rev. A. W. Kokendoffer read the double ring service.

Mrs. Ralph Kilbury, sister-in-law of the bride, at the organ played "I Love Thee" by Grieg as a prelude and the Bridal Chorus from Lohengrin by Wagner as the processional. During the service she played "Always" and at the close of the ceremony Mendelssohn's Wedding March as recessional.

The altar was banked with baskets of white flowers and palms and on either side were tall standards with white lighted tapers.

The bride, who was given in marriage by her father, chose for her wedding a sheer white floor street length dress with which she wore a flowered hat in black and white. Her accessories were black. She carried a white Bible to which was attached an orchid.

Miss Elsie Wertz, as bridesmaid, wore a pink wool street length dress with black accessories. Her corsage was an orchid.

Mr. Ralph Kilbury, brother of the bride, served Mr. Ballinger as best man.

Mrs. Kilbury, mother of the bride, was attired in a gray print dress with gray accessories and Mrs. Ballinger, mother of the bridegroom wore a black suit with black accessories. They both wore corsages of white carnations.

A reception was held in the ladies parlor at the Elks' club following the ceremony. The table which was covered with a linen cloth of cutwork embroidery was centered with a three tier wed-

ding cake which was cut by the bride.

Serving were Mrs. J. A. Burns, aunt of the bride, and Mrs. Ballinger, mother of the bridegroom.

A wedding dinner was served that evening at the home of the bride's parents for the bridal party and out-of-town guests. Attending were the bridegroom's mother and sister Mrs. S. R. Ballinger of Independence and Mrs. Ruth Walters of Kansas City; the bride's brother and family Mr. and Mrs. Ralph Kilbury and sons Richard and Charles David of Kansas City; uncles of the bride Major General L. E. Oliver of Washington, D. C., and Mr. Tom Oliver, Mrs. Oliver and sons Dale and James of Bland, Mo.; aunts of the bride Mrs. Lillian Revelle of Nemaha City, Nebr., and Mrs. J. A. Burns of St. Louis; Lt. Col. and Mrs. J. O. Stephenson, daughter Diana and son James of Jefferson City; Mr. and Mrs. Errett Stephenson of Salem, Nebr., Mr. and Mrs. Glenn Portlock of Lincoln, Nebr., and Rachel Stephenson, Nemaha City, Nebr., all cousins of the bride and Mrs. C. O. Barnes and daughter Beverly of Omaha, Nebr.

The bride was born and reared in Fall City, Nebr., and was graduated from the high school there. She attended the Kansas City university two years and the University of Nebraska one year and the School of Nursing at Omaha three years. She is a member of the Pi Beta Phi sorority and has been employed at the Wilcox Electric company in Kansas City as company nurse.

Mr. Ballinger was born and reared in Independence and was graduated from the high school there. He had three years premedics and is now associated with the Greyhound bus lines of Des Moines.

The couple left immediately on a short wedding trip after which they will go to Des Moines to make their home. Mrs. Ballinger's going away costume was a fuchsia colored suit with black accessories.

Mr. and Mrs. Clayton Glasgow, 1603 West Twentieth street, entertained Sunday at a family dinner in honor of their son, Wayne Glasgow, who received his discharge from Jefferson Barracks on March 14, after two and one half years service.

Others attending the dinner were another son and his wife, Mr. and Mrs. Paul Glasgow and daughter, Paula Lynn, of Kansas City and Mrs. A. L. Palmer.

Wayne Glasgow left Monday for his home in Wichita, Kas.

Miss Nina Harris, member and past regent of Osage chapter, the hostess group of the Missouri conference of the Daughters of the American Revolution, and active in state D. A. R. activities, was hostess of a 1 o'clock luncheon Tuesday at the Heard Memorial clubhouse, with 18 D. A. R. members from various points in the state as guests.

Church News

The J. O. C. class of the Fifth Street Methodist church will meet at 2:30 p. m. at the home of Mrs. A. C. Lueking, 1002 South Kentucky avenue. Assisting hostesses will be Mrs. C. O. Goodknight, Mrs. Fred Anton, Sr., and Mrs. E. D. Grinstead. Mrs. Bettie Creagan will lead the devotional service. A social hour will follow the business session.

Home Leagues Of Salvation Army Helpful

Sent Pocketbooks Full of Useful Articles to Europe

Women members of Salvation Army Home Service Leagues throughout the country have sent thousands of old pocketbooks, filled with household and personal articles to women in war-devastated countries of Europe in the last few months.

Each pocketbook was filled with such items as needles and pins, hooks and eyes, thread, darning cotton, thimble, buttons and bias tape, a washcloth, toothbrush and soap—riches indeed for housewives whose supplies of such homey articles have long since been used.

This is one of the many post-war activities in which Home League members in all parts of the United States are now engaged. Home Leagues, run by The Salvation Army, have both Salvationist and non-Salvationist members. There are about 1,500 Home Leagues in the United States, with roughly 40,000 members.

Also Make Layettes

The making of layettes is another Home League project. These items are sent to The Salvation Army's War Comforts Department, and the articles are distributed where needed. Thousands have been sent overseas, where infants' garments of all kinds are scarce.

Women in Home Leagues in the Chicago area sent 10,800 garments, valued at \$12,000, to the children of Holland. The average box contained six pairs of baby shoes, 307 pairs of girls' panties, 29 pairs of woolen socks, four woolen sweaters, 34 baby blankets, baby bonnets, robe blankets, children's night gowns, 43 diapers, children's slippers, baby shirts, girls' dresses, five cans of baby powder and five cans of soap. The Women's Home League of Sedalia sent 125 garments.

Baby clothes have also been sent overseas by Home Leagues of Indiana and Michigan.

Meat Shortages For Some Areas

By the Associated Press

Slaughter of beef cattle took another nosedive yesterday (Tuesday) at principal midwestern markets and serious meat shortages for some areas were predicted by both retailers and packers.

Major packing companies reported their kill had been reduced materially for several weeks because of inability to buy cattle at prices that will allow them to make a profit under Office of Price Administration ceilings.

At Chicago an industry spokesman said the "Big Four" companies, Armour, Swift, Wilson, and Cudahy—bought less than 1,000 of the 15,000 head of cattle in the yards yesterday. The large packers said they could not compete with black market buyers who do not observe the OPA pricing regulations. Eastern buyers are taking a large percentage of offerings, they said.

A black market in meat continues probably worse now than ever before and the "situation is getting away from the OPA," Thomas E. Wilson, chairman of Wilson and Co., told a stockholders' meeting yesterday. These illegitimate operators are able to make an average profit of \$50 a head, he declared.

Kansas City packers reported they had cut back their cattle slaughter rate from 180 to 18 an hour and saw little chance to buy substantially and still make a profit. One packing official who asked that his name not be used, said that grading down what his buyers considered prime beef had caused his company to lose the \$3 top federal subsidy paid for prime beef.

Admits Gassing Two Million

BERLIN, March 20—(AP)—Rudolph Hoess, commandant of the infamous Oswiecim slave camp who was arrested March 8, has admitted gassing 2,000,000 victims on direct orders of Heinrich Himmler, British authorities said Tuesday night.

The 46-year-old fugitive, sought since Germany's collapse, signed a statement March 16, the announcement said, declaring:

"I personally arranged, on orders received from Himmler in May, 1941, the gassing of 2,000,000 persons between June and July, 1941, and the end of 1943, during which time I was commandant at Oswiecim."

Most of the victims were Jews.
